## MATH FROM A DIFFERENT ANGLE TAUGHT IN USD SUMMER SESSION

RELEASE AFTER JUNE 7, 1974

San Diego, California

A mathematics course entitled "Essentials of Trigonometry" will be offered now through June 21 during the Summer Session at University of San Diego. Classes will be held from 1-2:45 p.m., Monday, Wednesday and Friday.

Available for one hour of college credit, the class will examine definitions, solutions of right triangles using trigonometry tables, graphs of trigonometry functions and trigonometry identities. This class is unique in that it offers math students a comprehensive introduction to trigonometry without requiring a previous course in algebra. Jack W. Pope, Assistant Professor of Mathematics, USD, will be the lecturer.

On campus registration for classes in any of the three USD Summer Sessions will be held from 8-12 p.m. and 4-6 p.m. on the first day of each course. Pre-registration is encouraged. Call or write the Director of Summer Sessions, University of San Diego, Alcala Park, San Diego, California, 92110, 291-6480, ext. 221. Tuition is \$60 per credit hour; auditors pay half tuition.
